

Sigfillset

```
graph LR; A[Sigfillset] --> B[unix_error]
```

A diagram showing a flow from a box labeled 'Sigfillset' to a box labeled 'unix\_error'. The 'Sigfillset' box is gray and the 'unix\_error' box is white. A blue arrow points from the right side of the 'Sigfillset' box to the left side of the 'unix\_error' box.

unix\_error
